

WE ARE HIRING!!!

PrimeCARE Health in Grande Prairie is seeking a full time Massage Therapist to join our team. Our clinic is open Monday-Friday with various hours. We are patient centered with a focus on disease prevention, the promotion of wellness, and the treatment of injury and illness. Our goal for our patients is optimum health.

Massage Therapists play a key role in our team environment, focused on:

- * Performing clinical assessments, setting goals and providing treatment plans for clients
- * Initiating appropriate treatment intervention based on clinical assessment
- * Provide ongoing evaluation of client progress
- * Administering and collecting outcome measurement information
- * Participating in quality improvement initiatives
- * Collaborating with our interdisciplinary healthcare team
- * Communicating to appropriate referral sources

Experience Needed:

- * 2200 Hours – Certification required
- * Registered with an Alberta RMT association and in good standing
- * Graduate from an accredited school of massage
- * Proficient in assessment and treatment planning
- * Knowledge and proficiency in various massage therapy techniques
- * Outstanding customer and massage services
- * Punctual and strong time management skills
- * Excellent communication skills
- * Demonstrate ability to work effectively in an interdisciplinary team environment
- * Experience in the use of computers and various software applications
- * Experience in a multi-disciplinary or healthcare setting is an asset
