

## **WE ARE HIRING!!!**

PrimeCARE Health in Grande Prairie is seeking a full time or part time Physiotherapist, particularly for evenings and weekends. Work as part of an established multi-disciplinary team, including physicians, physiotherapists, a registered massage therapist, and kinesiologist.

We are open Monday through Friday, 8am to 5pm, and Saturday, 9am to 4pm. We are currently open for Physiotherapy Monday through Friday and would like to extend our hours to include evenings and weekends.

Step into an existing client base with an internal referral process.

Come be part of a great team!

### **Reasons to join our team:**

- \* Competitive salary
- \* Signing bonus available
- \* Existing client base
- \* Multi-disciplinary setting, including referral base from physicians
- \* Includes services for WCB and MVA clients
- \* Clinic offers direct billing option for your clients
- \* Includes benefits package and education allowance

### **Experience/Education Needed:**

- \* A graduate of a recognized university Physiotherapy degree program
- \* Registered with the Provincial College of Physiotherapists
- \* Experience in a multi-disciplinary or healthcare setting is an asset
